Handwritten message

DEAR PARENTS:

I AM HONORED TO HAVE HELPED YOU
BUILD A FAMILY, I WISH YOU ALL THE
BEST.

ENJOY EVERY MOMENT, LOVE EACH
OTHER, AND TEACH YOUR CHILD HOW
TO LOVE.

DEAR CHILD:

THE ONLY THING I CAN TELL YOU IS TO
LEARN HOW TO LOVE.

LOVE YOUR PARENTS, YOUR SIBLINGS, YOUR
FRIENDS. LOVE WHAT YOU DO, LOVE YOUR
DREAM AND NEVER GIVE IT UP.

IF YOU DON'T HAVE A DREAM, GO LOOK FOR
ONE, EXPLORE AND TRY NEW EXPERIENCES!
GO SEARCH FOR YOURSELF,
AND I HOPE YOU NEVER TRULY FIND YOURSELF
BECAUSE SOMETIMES THE JOURNEY ITSELF IS
THE VERY DREAM YOU ARE MEANT TO LIVE.

A WARM GREETING

Meeting the donor

our impression

At 180 cm tall, Ballerup always enters Copenhagen Sperm Bank with a calmness and warmth that is so inviting that you can't help but smile when you see him.

Ballerup is always very polite and always asks how things are going. With his warm brown eyes and dimples, he quickly charms his way into the hearts of those he meets. Ballerup is a huge family man and talks daily with his parents, who hold a huge place in his heart.

Family is also one of the reasons why Ballerup has chosen to become a donor. He wants to help, and if he can help others achieve their greatest wish and feel the love that parents can give their children, then he couldn't ask for more. In addition to being a skilled chef, in his private life, Ballerup also loves to play music, especially the guitar, and to paint.

Ballerup speaks Danish, Italian and English. Ballerup believes that you create your own happiness, and for him, every day is a new beginning.

I would love to go to Japan because it is still a place that is very different culturally from the rest of the world.

How would you describe your personality?

I'm deep, cheerful, introspective and above all sensitive towards others.

What is your ultimate ambition or goal in life and how do you see yourself in twenty years?

My goal of my life is to be happy and satisfied with myself. It doesn't matter where, when or what will happen, but it is important to work on it every day to achieve it.

Donor essay

Why do you want to be a donor?

Because I live a very healthy lifestyle and with a small action, I can help couples achieve their greatest dream of having a child.

Describe your relationship with your family. How has your family shaped your values and who you are today?

My family raised me with love and gave me a lot of positive values, such as working hard to achieve my goals and respecting others. But most importantly, they taught me to love.

What makes you unique?

What makes me unique is a combination of my life experience, my talents and skills, my values, principles and my personality. These qualities are making me to who I am and how I live and connect to with other.

What are you most proud of and why?

What I'm most proud of is my relationship with my family and friends. Despite everything that is changing around us, they are always there and always ready to give a hand when needed.
