Handwritten message

Dear parents, dear child,

I have been blessed with a body that has never let me down and with a large, healthy and loving family.

By becoming a donor I hope to give to you some of what nature gave me.

I wish you good luck in your new adventure.

Best,

Meeting the donor

our impression

With his 182 cm height, green eyes, and calm movements, Charlottenlund enters the room with an unshakeable calmness every single time.

He is always smiling, friendly, and interested in how you are doing. It is clear that Charlottenlund is a creative personality. He expresses his creativity on a daily basis through his work. And once the conversation gets going, it is clear to hear how adventurous he is. Charlottenlund is very interested in experiences and beautiful natural areas.

Family is also something that lies deep in his heart. He has close ties to both his parents and siblings, and the cornerstone of his upbringing is to be loving and caring towards those close to him. Furthermore, he never misses an opportunity to play a practical joke on his siblings.

Charlottenlund has a warmth and calmness that is so natural that it rubs off on everything around him.
